

Want to Be Different?

- We are discovering how during our morning Worship Service here at Trinity.
- That difference comes from understanding and living the best known, least understood, and least obeyed of Jesus' teachings—the Sermon on the Mount.
- Climb that hill with us, sit at Jesus' feet, and learn from His own words and message. We have already explored how we are to be different in our character, influence, and righteousness. In August and September we will see how to be different in our religion, ambition, relationships, and commitments.

Sermons can be heard at Trinityarchives.weebly.com.
